

UNITED STATES DISTRICT COURT
DISTRICT OF NEW HAMPSHIRE

United States

v.

Case Nos. 09-cr-162-01-SM and
09-cr-163-01-SM

Richard Joseph Perry

ORDER

Re: Document Nos. 21 and 25, respectively: MOTION for
Reconsideration re Order on Motion to Continue

Ruling: Denied. Defendant has had more than adequate time to review the pre-sentence report with counsel. Participation in a local program designed to help others, while laudable, is not a sufficient basis upon which to grant a continuance. The motion to reconsider raises another last minute reason for a continuance - delivery earlier this week of additional copies of checks defendant is said to have forged, which would be relevant to a determination of restitution. But defendant says little that is specific about the need for additional time other than that he needs it.
